

Geospatial Analytics Travel Award Application

Application Deadline

July 15 for travel September-February

January 15 for travel March-August

Applications will be accepted for conference opportunities that fall outside of these deadlines on a case-by-case basis.

Eligibility

The GA Travel Award is open to all students enrolled in the Geospatial Analytics doctoral program in good standing (GPA > 3.00). There is no limit to the number of times a student may apply for or receive the award.

Funds Available

You may request up to \$800 each application cycle. Ideally, these funds will be used directly by the Business Services office to cover airfare, lodging, or registration (as opposed to a reimbursement).

Note that priority will be given to students who have actively sought additional sources of funding outside of CGA.

Application Requirements

- Completed application form
- Detailed budget, including costs of registration, transportation, lodging, and other expenses
- Personal statement (no longer than one page) describing the conference's impact on your personal/professional development
- Copy of abstract submitted to conference and confirmation of abstract acceptance (if received)

Email all components as a **single PDF** to Rachel Kasten, Graduate Services Coordinator, at rachelkasten@ncsu.edu.

Geospatial Analytics Travel Award Application

Name: _____

Advisor: _____

Conference Name: _____

Conference Location: _____

Conference Dates: _____

If you are planning to present research:

Are you the first author?

- Yes
- No

Are you the primary presenter?

- Yes
- No

Presentation type:

- Poster
- Oral
- Other _____

Abstract title: _____

All authors; enter in order of appearance on abstract: _____

Indicate if you have APPLIED FOR travel funding from the following sources for this conference:

- Sponsoring organization of conference
- Volunteer opportunities at conference to lower registration cost
