

Department	Course #	Class Title
ANT	531	Tourism, culture, and anthropology
ANT		Ecotourism and Heritage
COM	536/798	Environmental Communications
COM	562/798	Communication and Social Change
DDN	779	Human use of Urban Lands
ECG	540	Economic Development
ECI	709 (003)	Special Topics: Elementary STEM and Environmental Learning in Informal Settings
ED	711	Advanced Quantitative Methods
ENG	626	Advanced Writing for Empirical Research
FOR	595	Environmental Justice and Decision Making
GIS	510	Introduction to Geographic Information System
GIS	520	Advanced Geospatial Analytics
HI/ANT	587	Cultural Resource Management
MEA	593	Climate Communication
NR	595	Special Topics in Natural Resources: Conserving Urban Biodiversity
NR	400/500	Natural Resource Management
NR	460/560	Renewable Natural Resources Management and Policy
PA	515	Research Methods and Analysis
PA	536	Nonprofit Management
PA	640	Grant Writing for Nonprofit Organizations
PA	715	Quantitative Policy Analysis
PA	771	Seminar on Nonprofit Management
PRT	500/700	Advanced Theories of Leisure
PRT	595/795	Social Science Research Methods in Natural Resources
PRT	555	Environmental Impacts of Recreation and Tourism
PRT	795	Advanced qualitative research methods
PSY	584	Advanced Development Psychology
SOC	711	Research Methods in Sociology
SOC	791	Seminar in Environmental Sociology
ST	503	Fundamentals of Regression
ST	505	Applied non-parametric analysis
ST	507	Statistics for the Behavioral Sciences I
ST	508	Statistics for the Behavioral Sciences I
ST	511	Experimental Statistics for Biological Sciences I
ST	512	Experimental Statistics for Biological Sciences II
ST	590	Special topic Applied Bayesian Analysis
ST	711	Design of experiment
ST	715	The Sampling approach and survey design
ST	731	Applied Multivariate Statistical Analysis

ST	744	Categorial data anlaysis
UNC HBEH	600	Social & Behavioral Science in Public Health
