UK & Germany: Sport Programs & Facilities

PROGRAM OVERVIEW
Sport events, organizing bodies, sponsors, and media increasingly operate on a multinational scale and cross-cultural contexts, necessitating international sport competencies from students entering the workplace. This multi-country study abroad program offers students the opportunity to engage with industry professionals and scholars that can provide a multinational perspective on sport programs and sustainable facility management.

ACADEMICS
The goal of this course is for sport management undergraduates to gain a cross-national and cultural experience related to comparing and contrasting how sport programs and facilities are developed and used to achieve organizational and community goals in the U.S., the United Kingdom, and Germany.
